GREECE BIBLE LAND

EDUCATIONAL TOURS • JUNE & JULY 2027

For the Fifth International Bible Conference of BRI Participants

Join distinguished scholars and fellow members of the Biblical Research Institute (BRI) on an unforgettable spiritual and historical journey as we trace Biblical history across the land of philosophers, prophets, and apostles. From the age of Socrates and Plato to Daniel's prophecy of the Hellenic Empire and the conquests of Alexander the Great, and to the Apostles Paul and John, history and prophecy come alive before your eyes. Narrations are based on the Bible text and the Spirit of Prophecy, as we discover early Christian sanctuaries and explore classic archaeological wonders.

Choose between our Pre/Post-Conference Tour or the complete Post-Conf. Land & Cruise Experience.
